The City Atlantic Cribs

Hot Pads In a Hot Town!

AtlanticCity is now enjoying an extraordinary renaissance, carving out a new exciting identity with unprecedented lifestyle options. Luxe condo living has finally arrived in Atlantic City, and Bella is redefining the concept of the home away from home. Just a short walk from Atlantic City's Boardwalk, Bella is the first high-rise residence positioned to attract luxury buyers in Atlantic City, NJ. Area professionals seeking a maintenance-free lifestyle and those who appreciate the finer things in life will find an ideal investment. Bella's entrance radiates serenity with its simulated waterfall, contemporary sleek façade and stately splendor. Impressive and towering steel sculptures beckon you to enter your new luxurious homes. The lobby features Terrazzo floors, striking Chihuly inspired white undulated glass chandeliers and silk light sculptures to welcome you upon your arrival. Every residence has a private balcony and spectacular views from all rooms.
